Mother marks 15th anniversary of daughter's disappearance

Monday marked the 15th anniversary of another high-profile missing person's case.

February 9, 1989 20-year-old University of Florida junior Tiffany Sessions disappeared while power-walking. Monday Alachua County officials held a press conference to once again ask for the public's help in solving the case.

Investigators say they've received nearly 2,000 tips over the past decade-and-a-half, but are still no closer to finding Tiffany.

Her mother, Hilary Sessions continues to hold on to hope that her daughter will be found.

If you have any information about Tiffany Sessions' whereabouts, you're asked to call the Alachua County Sheriff's Office at 352-367-4170.
